

District Councillor Report: Debenham Ward – November 2025
Serving Ashfield-cum-Thorpe, Aspall, Bedingfield, Debenham, Kenton & Winston
 Cllr Teresa Davis teresa.davis@midsuffolk.gov.uk Tel: 07928 512588

Community Information:	Two things coming out of Mid Suffolk regarding planning. The first is the ongoing work of refreshing the Joint Local Plan, which entails looking at the old data for housing supply and aiming to meet the new supply of housing given by the Government. Therefore a ‘Call for Sites’ has been launched and will run until 9th January 2026. Some of you might know that the Debenham Parish Council are also refreshing their Neighbourhood plan and anyone wishing to take an active part in this can contact them. The second planning from Mid Suffolk is that after extensive consultation with Historic England and in order to help with insulation, Mid Suffolk has also now completed it’s Local Listed Building Consent Order – Windows, which enables those with a Grade II listed building to apply secondary glazing on historic windows and replacement of non-original windows in their home without the cost of planning permission, further details can be found from https://www.midsuffolk.gov.uk/llbco. There are also a few Councillor vacancies on the Parish Councils in my ward. If anyone would like to become a Parish Councillor and become more involved in how the future of their village is shaped or know more about what is required of you, please do get in touch with the Clerk of that Parish Council (they are very helpful) and/or myself. In partnership with the NHS a Dementia Awareness Roadshow begins in Stowmarket United Reform Church on 11th November between 10am-1pm. This is to offer the opportunity to access information, advice and guidance on living with dementia, including support groups, care options, legal advice and benefits advice, alongside the opportunity to speak with local services and organisations, and professionals. This is a free event which is open to all and there is no need to book. There will be free refreshments and parking. Again in partnership with the NHS the Be Well Bus will be visiting Debenham on 18th November between 10am-2:30pm. I still have locality grants available if any organisation would like to contact me. And for those who missed the number last month, Rural Connect, the Door to Door transport service is on 01449 614271.
